Bachelor of Business Administration (BBA), GGSIP University — 2023 – 2026

Bal Bharti Public School, Rohini Sector 14 — Delhi, India
Class XII (CBSE) — 2023

Bal Bharti Public School, Rohini Sector 14 — Delhi, India
Class X (CBSE) — 2021

Experience

Social Madhyam — Mar 2026 - Present
Social Media Manager — *WFH*

- Managed end-to-end social media marketing for 9–10 brands across 15–17 Instagram pages, overseeing content planning, publishing, and campaign execution.
- Planned and Optimized 60+ Reels monthly, alongside static posts, carousel creatives, and promotional content across multiple brands.
- Edited short-form videos and designed engaging social media creatives and carousels aligned with brand guidelines and platform trends.
- Executed Meta Ads campaigns with monthly ad budgets of 15,000–20,000, analyzing CTR, CPC, CPM, CPL, and ROAS to evaluate campaign performance.
- Built Instagram pages from scratch, growing multiple accounts to 1,000–2,000 followers through consistent content publishing and audience-focused strategies.
- Analyzed Instagram Insights and advertising metrics to track reach, impressions, engagement, and follower growth, supporting data-driven content optimization.

Social Madhyam — Nov 2025 - Feb 2026
Social Media Marketing Intern — *WFH*

- Optimized Meta Ads campaigns across 7+ marketing initiatives, enhancing audience reach and engagement.
- Developed and maintained content calendars for Instagram and Facebook, supporting the publication of 30+ social media posts and campaign creatives.
- Evaluated key performance metrics including CTR, CPM, and ROAS to support campaign optimization and budget allocation decisions.

Sharkmondo — Aug 2025 - Oct 2025
YouTube Marketing Intern — Team Leader — *Remote*

- Led a team of 9 members, overseeing task allocation and ensuring timely delivery of content across multiple projects.
- Leveraged AI-powered tools for video generation, editing, and voice-over creation across 3 YouTube channels, improving content production efficiency.
- Crafted prompts to generate scripts, creative concepts, and multimedia assets for digital marketing campaigns.
